Opportunities / Contact

Celebration of Women is a major fundraising event for the Women's Center of Jacksonville. Funds raised from sponsorship, ticket sales, raffle, live auction and silent auction items benefit women and families in their need to receive help to heal from the violence of rape, survive the threat of breast cancer, cope with the diagnosis of HIV/AIDS, and to overcome the stigma of childhood sexual abuse.

Sponsorships

We urgently need sponsorships for this event. For more information on sponsorship levels, please contact:
